

Rules 2019 – 2020

1. All Teams applying to join the TVDL will pay a Deposit of £50 before being allowed entry into the League. This deposit will be repaid at the end of the season or can be carried over and used as a deposit for entry into the following season. Each team will be charged £25 each month payable at the Monthly delegates meeting on the final Wednesday of each Month. At the final meeting of the season the Treasurer will make the necessary adjustments to the fees. Deposits are treated exactly the same as league fees in that the responsibility to pay is with the nominated team captains. These captains (shown on the contact & fixtures lists) are responsible for the collection and payment of both league deposits and league fees. If the team or captain has an arrangement with a sponsor/landlord or whoever, that is a matter between themselves and not TVDL. The League will not enter into any dispute between parties on the subject of fees and deposits as the agreement is between the league and the nominated captains. The League collect the fees from the Captains, from where the money originates is not our business. Transferring of deposits is as above, the captains provide the league with the deposit.
2.
